

## **FORWARD**

It is our desire to make **Sunnyside Memory Gardens** cemetery a quiet, beautiful place where a sense of repose will be obtained by dignified landscape effects and a well-maintained lawn. The cemetery strives to keep accurate records and to assist individuals desiring to locate interment sites. All efforts will be made to maintain the general beauty and harmony of the cemetery and our staff will constantly strive to earn your continued confidence. The sacred nature of this land will always be maintained.

Experience has shown that the adoption and enforcement of rules are necessary to secure peace, respect and good order within the cemetery, to protect the interest of owners and to preserve the beauty of the grounds. All persons, including visitors and persons performing work within the cemetery, are required to obey these rules and regulations and are requested to report any infractions to cemetery personnel.

Special cases may, and occasionally will, occur in which the literal enforcement of a rule or regulation may impose an unnecessary hardship upon owners and their relatives. Rules and regulations may be temporarily suspended, waived or partially enforced if it is without detriment to the interest of the cemetery and owners. Sunnyside Memory Gardens reserves the right to suspend, waive or modify these rules and regulations.

With this overall philosophy in mind, Sunnyside Memory Gardens has adopted the following rules and regulations.

Respectfully submitted,

**Iowa Insurance Division, Receiver**
